## 3-D Pres Hist Match

- MWX Data

## Treatment scheduling

- Limiting Frac/Well Connection
- Non-Darcy Flow

## History Match

- 2 Break Problem

## Stress Testing Review

- E-StimPlan Demo
- "Gotchas"
- Convection

## Step-Down Tests

- Fluid Loss – Special
- Well Deviation

## Log-Log Analysis

- ARCO "2 break" Example
- Whicher Range Example
- 'G' Plot Example ???

## Gotcha #1 Problem

## Indirect Fracturing

- Discussion

## Fracturing for Reservoir Management

- Gulfaks Problem
